FOREWORD

We, the PALLADIUM staff, have tried to publish an annual which will bring back memories of the school we love. We have striven to give a glimpse of our school, its activities, and ideals in such a way that a person looking over these pages in the future, will realize the glory that was Troy State's.

If we have accomplished this, our aims are achieved and our hopes fulfilled.

The Staff of 1958

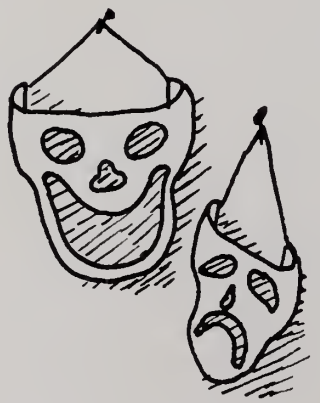

DEDICATION

We love her for her humor and forthrightness. We respect her for her sound judgment and integrity . . . for eight rich full years as a teacher of English and speech at Troy State she has been outstanding.

In the halls of any institution of learning there is always one special teacher who is surrounded by an air of admiration and respect from all her students. We believe this person is such a teacher. Her intelligence, her ready wit, her undying faith in the students of Troy State . . . these are the things for which we most admire her.

Like the Tree of Knowledge, she is one who nurtures young minds and fills them with the green ways of growing. It is with pride and gratitude that we dedicate our 1958 PALLADIUM to

THE ALMA MATER

Our vows of love, our vows of faith
Dear school, we've said to thee
Each strong man, each gentle maid
Will ever loyal be,
Not for a day, not for a year
Shall we each other greet
As fellow students, fellow friends,
But till in Heaven we meet.

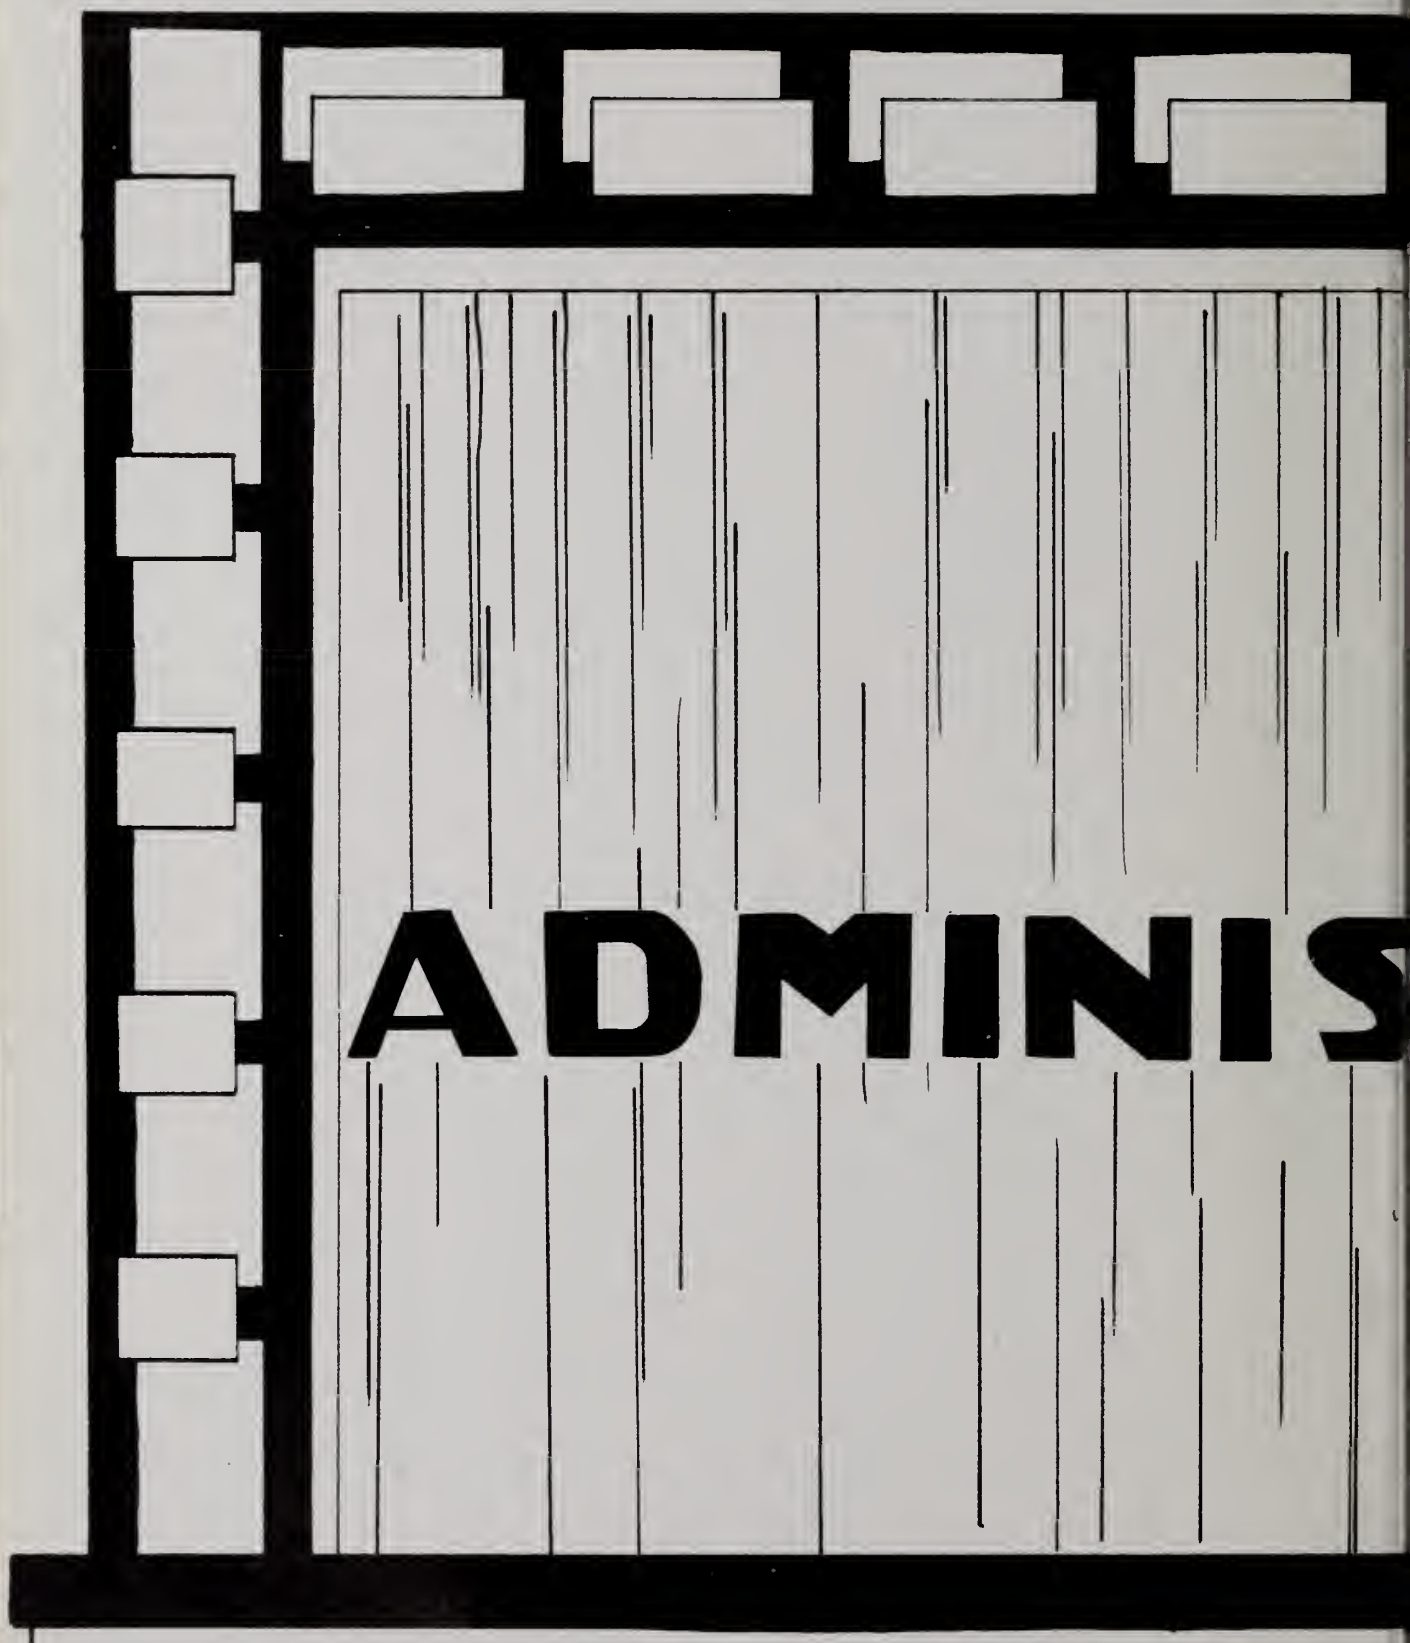

CHORUS

So hail, Alma Mater,
Dear School, we all love thee,
So hail Alma Mater,
We'll aye be true to thee.

So when in days that are to come
Fond mem'ries of dear T.S.C.
We'll cherish most of all.
Your stately portals, ivied walls,
In dreams again we'll see.
And hearts again will sadly yearn
For you our T.S.C.
